

TRIBUTE TO PEYTON ROBERTSON

HON. LOIS FRANKEL

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 16, 2013

Ms. FRANKEL of Florida. Mr. Speaker, I rise today to congratulate Peyton Robertson, who is America's 2013 Top Young Scientist in the "Discovery Education 3M Young Scientist Challenge."

Peyton, a 5th grade student, created an innovative sandbag designed that is reusable and easy to transport. After seeing the destruction caused by Hurricane Sandy and from experiencing hurricanes in South Florida, Peyton wanted to help protect folks in Florida.

This is not the first time that Peyton has worked to improve the lives of those around him with inventions. When he discovered that the golf balls he loved to hit didn't go as far when they were cold, he created a golf ball warmer. Peyton also invented retractable training wheels to help his sister learn how to ride a bike. When he grows up, Peyton would like to be an inventor, scientist, or engineer.

Peyton, congratulations again on being named America's Top Young Scientist for 2013. Your innovative spirit and desire to improve the world is an inspiration to us all!

SUPPORT OF THE WAYNE COUNTY CAMPAIGN FOR LIBERTY

HON. KERRY L. BENTIVOLIO

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 16, 2013

Mr. BENTIVOLIO. Mr. Speaker, I rise today in support of the Wayne County Campaign for Liberty of the Great State of Michigan who like so many grassroots organizations throughout our country have diligently educated our citizens on various public issues facing us today. Exercising their Constitutional right to peacefully assemble and in many cases petition their government for a redress of grievances in support of the restoration of liberty, not in restricting it; shrinking our bloated government, not expanding it; who want to reduce taxes, not raise them; abolish costly government programs, not create them; expose the abuses and oppressions of tyrannical dictates; Wayne County's Campaign for Liberty promote the freedom and independence of our citizens, not the interference of government in their lives; and observe the limited, enumerated powers of our Constitution, not ignore them.

Mr. Speaker, these truly American patriots of every cultural, religious and ethnic background have found a common cause in fighting back today's proliferating big government rules and regulations imposed by costly bloated government bureaucracies who are accountable to no one at the expense of individual rights.

They are God-fearing, freedom-loving Americans who desire nothing more than to rein in big government's tendency toward excessive coercion and the insidious spread of government overreach. They question when the validity of laws and morality contradict each other. They desire nothing more than the extension of individual freedom in a Constitu-

tional Republic that attaches all possible value to citizens rather than making each citizen a mere agent, a mere number of the state; a Constitutional Republic that seeks equality in Liberty rather than in restraint and servitude.

Mr. Speaker, there is a great political awakening taking place in our country today. The roots of which are solid stock and American made, they are a visionary group of individuals who understand the moral foundations of a Constitutional Republic, the benefits of free markets, and the Blessings of individual liberty. May they continue to strive valiantly and dare greatly.

Mr. Speaker, thank you for allowing me a few short minutes to give this testimony in support of a truly American grassroots organization.

IN HONOR OF U.S. DISTRICT JUDGE RICHARD A. SCHELL

HON. RALPH M. HALL

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 16, 2013

Mr. HALL. Mr. Speaker, this year marks the 25th year that United States District Judge Richard A. Schell has served with distinction on the Federal bench of the Eastern District of Texas. It is a privilege to recognize and pay tribute to him, along with members of the Eastern District of Texas Bar Association who will honor him at their 17th Annual Eastern District Bench Bar Conference October 30, November 1 in Plano, Texas.

Judge Schell was nominated by President Ronald Reagan on April 13, 1988, to a seat vacated by the late Judge William M. Steger. He was confirmed by the Senate on May 27, 1988, and received his commission on June 6, 1988. Judge Schell served as Chief Judge of the Eastern District from 1994 2001 and also served on the U.S. Judicial Conference Advisory Committee on Bankruptcy Rules as well as the Board of the Federal Judges Association. During his tenure as Chief Judge he also supported the effort to create the Eastern District of Texas Bar Association, which today is recognized as one of the preeminent Federal bar associations in the United States.

A native Texan, Judge Schell was raised in a family whose community involvement in Plano, Texas, stretches back over 130 years. His maternal great-grandfather served as mayor of Plano, and his paternal grandfather was the longest serving mayor in the City's history, serving more than 16 years. His father was the longest appointed official in Plano's history, serving as its representative on the North Texas Municipal Water District for 45 years.

Judge Schell received his Bachelor of Arts Degree from Southern Methodist University in 1972 and his Juris Doctorate from SMU's School of Law in 1975. He served as an instructor at the Law School from 1975-1976, then became Assistant District Attorney for Collin County in 1976. He practiced law in the private sector in McKinney from 1977-1982, then returned to public service as Judge, Collin County Court-at-Law, from 1982-1986. From 1986-1988 he presided as Judge of Collin County's 219th District Court before assuming the bench as U.S. District Judge. Since 2010 he also has served as a Visiting

Professor at SMU's Dedman School of Law, which awarded him the Distinguished Alumni Award for Judicial Service in 2005. His law clerks and staff have established a programmatic endowment at the law school in his honor.

During his tenure on the bench, Judge Schell presided over the Norplant MDL, several complex civil matters and a number of environmental issues. He is currently responsible for the continued oversight and enforcement of a consent decree that resolved a class action between the State of Texas and children who receive Medicaid benefits. As Resident Judge in Plano with a higher-than-average docket, Judge Schell spent 683 hours in the courtroom in the past year alone. This is 247 percent above the circuit median and 243 percent above the circuit average. Judge Schell is universally recognized for his excellent judicial temperament, work ethic, integrity, and fairness.

Judge Schell has the support of a wonderful family—his wife, Janice, and sons Christopher and Ben. Christopher serves as the Legislative Director in my Washington, DC office, while attending law school in the evening at American University. Ben previously worked on the Space Subcommittee of the Committee on Science, Space, and Technology during my tenure as Chairman.

Mr. Speaker, our Nation is fortunate to have a Judge with as much integrity and commitment to justice as Judge Schell possesses. I ask my colleagues to join me in paying tribute to this outstanding American and esteemed United States District Judge, Richard A. Schell, for his 25 years of distinguished service on behalf of our Nation.
